

Bella's nickname is bellaboo

she likes to eat peetaaaahhhh

Justin's nickname is Buster brown

butt cheeks lyrics

Everybody's got butt cheeks

Everybody's got big hole butt cheeks

Every time you sit down, you sitting on your butt cheeks

When you spread your butt cheeks apart

You have room for your poop to come out of your butt, yes you do

Those good hole butt cheeks is so nice, yes they are

You gotta wipe your butt cheeks after you poop

After you sit down to poop

Inside your butt cheeks are filled with little pieces of poop

Yeah, butt cheeks, butt cheeks, butt cheeks

You got cheeks on your face, you also got cheeks on your butt

The poop comes out from between your butt cheeks

Butt cheeks, butt cheeks, butt cheeks, butt cheeks

When you gotta go to poop real bad

But you're not near toilet, you squeeze your

Butt cheeks together to keep the poop from coming out

Yeah-yeah, butt cheeks, butt cheeks, butt cheeks

Yeah, butt cheeks, butt cheeks, butt cheeks

Butt cheeks, oh, butt cheeks

Yeah-yeah, yeah, yeah, butt cheeks
